Dear Parents

Re: Year 6 Forthcoming Trips – Post-SATs

Traditionally following on from the SATs week for Year 6 pupils we have put together a programme of activities that provide good learning experiences for the children in addition to providing some fun activities on which to complete their time at St James the Great. As with all external visits, costs are incurred, which we endeavour to keep to a minimum. For the programme detailed below we are seeking a donation of £37 which we hope you will see as good value. It is appreciated that this is a significant financial demand and accordingly you may pay this in a single payment or as follows: £15 in April and May and £7 in June. As always, we would not want any child excluded on financial grounds and limited support can, therefore, be offered. However, if insufficient people are able to commit to supporting these trips then we may need to adjust the programme accordingly.

1. **Friday 13th May – SATs party (bouncy castle assault course and go karts) at St James the Great.**
2. **Wednesday 25th May – Battersea Park**
Depart from Norbury Station in school time
Back in school time
