Nursery Admission Arrangements – 2019-20

St James the Great RC Primary and Nursery School is an academy in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government, and seeks at all times to be a witness to Jesus Christ. The school exists primarily to serve the Catholic community and Catholic children always have priority of admission. However the Governing Body also welcomes applications from those of other denominations and faiths and from those who have no faith who support the religious ethos of the school.

The Governing Body has responsibility for all admissions to the school. Having consulted with the local authority and other admission authorities, they have declared their intention to admit *to up to the equivalent of 26 full-time places* to the Nursery classes formed for intake in September 2019. Places are offered without reference to ability or aptitude. Children will be admitted at the beginning of the school year in which they become four. ***The Governors intend to offer both full and part-time (morning only) places taking into account parental preferences.***

The closing date for receipt of applications will be the last date of the Autumn Term which is Friday 21 December 2018. Any applications received after the closing date may not be considered until decisions have been made in regard to all on-time applications.

Where the number of applications exceeds the published admission number, the Governors will, after the admission of children with a statement of special educational need or EHC plan where *the* school has been consulted in regard to naming the school, offer places using the following criteria in the order stated:

1. Looked after Catholic children or looked after children in the care of Catholic families and previously looked after Catholic children who have been adopted or who have become the subject of a residence or guardianship order
2. Catholic children. A copy of the child's baptismal certificate or evidence of reception into the Catholic Church must accompany the supplementary information form.
3. Baptised Catholic children of a member of teaching staff, where either the staff member or other parent is a practicing Catholic and where the member of teaching staff has served at the school in a permanent post equivalent to at least 3 days per week for two or more years at the time of application.
4. Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required at the time the supplementary information form is submitted.
5. Other looked after children and other previously looked after children who have been adopted or who have become the subject of a residence or guardianship order.
6. Children who are members of Eastern Orthodox Churches. Evidence of Baptism will be required at the time the supplementary information form is submitted.
7. Children of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism (or dedication) provided by a priest or minister of a designated place of worship will be required at the time the supplementary information form is submitted.

8. Children who are members of other faiths. Evidence of membership of the faith provided by a priest, minister or religious leader of a designated place of worship will be required at the time the supplementary information form is provided.
9. Any other children.

Where the number of applications within any of the above categories exceeds the number of places available and it is necessary to decide between applications

- i. For Category 2 above – the strength of evidence of commitment to the faith as demonstrated by the level of the family’s Mass attendance on Sundays over a period of 3 years. This evidence must be endorsed by a Priest at the church/es where the family normally worship and is the responsibility of the parents to provide this information to the school by the date specified for the return of supplementary information forms and supporting documentation. Applications will be ranked in the order shown on the supplementary information form; firstly those whose Mass attendance is regular (ie weekly), then those where attendance is shown as occasional (ie at least once a month), then those where attendance is irregular (ie less than once a month)
- ii. The presence of a sibling on the school roll at the time of admission. Evidence of the relationship may be required.
- iii. Living in the parish of St Andrew’s, Thornton Heath or St Bartholomew’s, Norbury.
- iv. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence from a professional authority (eg qualified medical practitioner, education welfare office, social worker or priest) will be required at the time the supplementary information form is submitted.
- v. Proximity to the school of the child’s home address. Evidence of residence may be required. Distance will be measured in a straight line from the school entrance using a geographical computerised system. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

Notes

- Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. References to other Christian denominations refers to denominations that are full members of Churches Together in England.
- A sibling means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It does not include other relatives, eg cousins.
- Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit.
- Looked after children are those in the care of a public authority and are in public care. Applications made under this criterion must be accompanied by details of circumstances and professionally supported evidence eg from an appropriate social worker.
- In order to make a valid Nursery application, the school’s Supplementary Information form for Nursery applications should be completed and returned to the Admissions Secretary at the school not later than the published closing date which is 21 December 2018. If the SIF is not completed and returned by the date specified, the governing body of school will only be able to consider the application if places remain available after all those where a SIF has been completed and submitted on time.
- Social, pastoral and medical needs are often difficult to determine. It is the child’s needs that will be considered and evidence to support the consideration of the application under this criterion will be required. This may include evidence provided by a priest or minister where admission on pastoral grounds is being sought.
- A map is included with the policy and the red outline marked thereon indicates the boundaries of the parishes of St Andrew’s, Thornton Heath and St Bartholomew’s, Norbury.

Pupils with a Statement of Special Educational Needs or Education, Health and Care (EHC) Plan

The admission of pupils with a Statement of Special Educational Needs or with an EHC plan is dealt with by an entirely separate procedure. The procedure is integral to the making and maintaining of statements and EHC plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with a statement or EHC plan naming the school will be admitted without reference to the above criteria.

Waiting Lists

Where an application has been unsuccessful the parent may ask that their child's name be added to the waiting list. The school holds waiting lists for all year groups, operated using the same criteria listed above. There is no guarantee that adding a child's name to a waiting list means that a place will become available. Unless requested otherwise by the parent, the school will retain the child's name on the waiting list until the end of the year in which the child is scheduled to leave primary education. Adding a child's name to the waiting list does not mean that the family cannot exercise their right to appeal the decision not to offer a place.

Late Applications

Any late applications will only be considered should places be available once all on-time applications have been processed. If places are not available to late applications, parents have the right to add their child's name to the waiting list.

Fair Access Protocol

The school participates in the local authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2014. Admitting pupils under the protocol may require the school to admit above the planned number for the relevant year group.
